January 2016

Dear Parent and/or Guardian,

I would like to invite you to the **Incoming Ninth Grade Family Night** program that will take place at Lake Park's East Campus on **Wednesday, January 20**. This event represents your first opportunity to be directly involved in developing your student's high school educational plan. Please make arrangements to attend.

The program is designed to benefit students and parents. To accommodate all attendees, the starting times are staggered. See the start time for each middle school below. The program in the auditorium will include: a) review of placement information; b) interpretation of Explore test results; and c) explanation of elective course offerings. An open house in the cafeteria provides families with an opportunity to meet faculty from each department and ask questions of counselors.

**Starting Times - Please arrive 15 minutes prior to your program start time. Parents should pick up Explore scores before the program starts. Please attend your assigned session. Seating capacity in the auditorium is limited.**

- **6:00 PM**      **Spring Wood, Trinity Lutheran, and Queen of the Rosary**
- **6:45 PM**      **Medinah Middle, Peacock, St. Walter, and St. Isidore**
- **7:30 PM**      **Roselle Middle, Westfield, St. Luke, and St. Matthew**

Important information to begin the 2016-2017 registration process for your child is enclosed. Please review the *Registration and Course Selection* form and *Course Planning Newsletter*. Directions for completing these forms are provided in the newsletter. During January, Lake Park counselors will visit each middle school to preview and discuss the *Academic Planning Guide*, which is available to families on the district website homepage at [www.lphs.org](http://www.lphs.org). The *Academic Planning Guide* is an important educational planning resource for you and your student. Posting an electronic version of this guide allows Lake Park to provide families with the most current information. A printed copy is available upon request if you do not have access to viewing online. After the Family Night Program, you will have all the information needed to complete the registration and course selection process.

I encourage you and your student to attend this orientation program. Our next opportunity to meet will be in the spring when programs are scheduled for parents and incoming ninth grade students. Information about these meetings will be sent to you in April. I look forward to seeing you on January 20 and welcoming the class of 2020!

Sincerely,  
James Roberts  
Principal, East Campus
