Lake Park High School Educational Foundation

The Lake Park Educational Foundation is pleased to announce the availability of two \$500 Itasca Lions Club Scholarships to provide financial assistance to community service-oriented students who are planning to attend a four-year college/university or a community college and who preferably desire to pursue a field of study that would help them foster a more humanitarian world. Extra consideration is given to a student who was part of the Itasca Leo's Club.

The mission of Lions Club International is to empower volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote international understanding. The Itasca Lions Club is actively involved in helping individuals who have visual or hearing impairments and fosters volunteering to aid the environment and global disaster relief. The club works locally to provide support for youth, the handicapped, and senior programs.

To be eligible for the Itasca Lions Club Scholarship, the applicant must:

- be a resident of Itasca.
- be a Lake Park High School graduate of the Class of 2017.
- have a current cumulative grade point average of at least 3.5 on a 5.0 scale.
- have been involved in community service/volunteer activities and have demonstrated leadership skills/qualities in school or community activities.
- demonstrate financial need.
- complete the attached application form.
- submit an unofficial transcript of all high school classes.
- submit a letter of recommendation from a teacher.
- submit the essays as noted on the following page.

The completed application and required support material must be submitted to the West Campus Career Center by no later than Thursday March 9, 2017. The Itasca Lions Club scholarships will be awarded to the selected recipients at Scholarship and Awards Night on Wednesday, May 10, 2017.

A \$500 check will be processed after the recipient has submitted a thank you note to the scholarship donor and a copy of a tuition bill showing enrollment as a full-time student in an accredited community college or four-year college/university program leading to a certificate or degree. Please send this documentation to the Lake Park Educational Foundation at 600 S. Medinah Road, Roselle, Illinois 60172. Lake Park High School Educational Foundation

Scott Bradley was a Lake Park student and wrestler whose connection with our school began many years before, when he wrestled with the Lancer Kids Club as a young child. Scott was a gentleman who displayed sportsmanship, loyalty, and dedication to the Lake Park wrestling program. He constantly strived for excellence through hard work on the mat and in the classroom.

Unfortunately, Scott's wrestling career ended suddenly during his junior year when he was diagnosed with leukemia. For six months, Scott battled his illness with the same determination that he battled his opponents on the mat. On May 5, 1986, the Lake Park community suffered a great loss. The following year his parents, Mr. and Mrs. Olav Bradley, established the Scott Bradley Memorial Scholarship as a loving tribute to their son. In his memory, his family wishes to award one \$1,500 scholarship to a deserving Lake Park High School student. The student athlete considered for this award must display similar characteristics to Scott: loyalty, commitment, dedication, and a strong work ethic.

To be eligible for the Scott Bradley Memorial Scholarship, the applicant must:

- be a Lake Park High School graduate of the Class of 2017.
- be a member of the Lake Park High School wrestling team who has shown passion and a commitment to the program while displaying leadership, sportsmanship, dedication, and a strong work ethic.
- plan to attend an accredited four-year college/university program leading to a degree.
- have a current cumulative grade point average of at least 3.5 on a 5.0 scale.
- complete the attached application form.
- submit an unofficial transcript of all high school classes.
- submit a letter of recommendation from a teacher.
- submit the essays as noted on the following page.

The completed application and required support material must be submitted to the West Campus Career Center by no later than Friday, February 26, 2016. The Scott Bradley Memorial Scholarship will be awarded to the selected recipient at Scholarship and Awards Night on Wednesday, May 10, 2017.

It is the responsibility of the scholarship winner to determine that this award from the Lake Park Educational Foundation will not interfere with NCAA eligibility.

Lake Park High School Educational Foundation

The Lake Park Educational Foundation is pleased to announce the availability of four (4) \$1000 Gene Haas Scholarships to provide financial assistance to students planning to pursue their post-secondary education at an accredited four-year college/university, community college, technical institute, or trade school in the field of manufacturing, machining, or engineering.

In 1999 Gene Haas founded the Gene Haas Foundation. Haas is the owner of Haas Automation, Inc., America's leading builder of CNC machine tools, which he started in 1983. Haas Automation is now a billion dollar company and this extraordinary growth has all come in an era when Americans were being told that the United States doesn't manufacture anything anymore. A recent report, called "The Skills Gap in U.S. Manufacturing 2015 and Beyond," projects that, "Over the next decade, nearly three and a half million manufacturing jobs will likely need to be filled, and the skills gap is expected to result in 2 million of those jobs going unfilled." Gene's commitment to the importance of US manufacturing has incited him to focus on manufacturing education in the form of scholarships for CNC machinist training. (<http://ghaasfoundation.org/grants/>)

To be eligible for the Gene Haas Scholarship, the applicant must:

- be a Lake Park High School graduate of the Class of 2017.
- plan to attend an accredited trade school, technical institute, COD or other community college, or four-year college/university program leading to a certificate or degree in the field of manufacturing, machining, or engineering.
- have a minimum grade point average of at least 2.5 on a 5.0 scale.
- submit an unofficial transcript of all high school classes.
- complete the Common Scholarship Application.
- submit a letter of recommendation from a teacher.
- submit the essays as noted on the following page.

The completed application and required support material must be submitted to the West Campus Career Center by no later than Thursday, March 9, 2017. The Gene Haas Scholarship will be awarded to four selected recipients at Scholarship and Awards Night on Wednesday, May 10, 2017.
