

LAKE PARK

HIGH SCHOOL EDUCATIONAL FOUNDATION

ANNUAL REPORT 2015-2016

Another Successful Year!

2015-16 was another very productive year for the Lake Park High School Educational Foundation. Dedicated to a mission of supporting and enhancing the opportunities and educational experiences of students and staff members at Lake Park High School, the Foundation continued to provide programs and services for students and staff members as well as hosting a variety of fund-raising programs to help it achieve its mission.

Dreaming Big – Making a Difference

Since its inception in 1989, the Lake Park Educational Foundation has been committed to making dreams come true for the students and staff at Lake Park High School. The Foundation has supported a **Funds for Excellence** program that has allowed teachers to pursue innovative curricular ideas to enhance student learning by purchasing equipment and supporting programs that the regular school district budget is unable to fund. The Foundation has supported annual **scholarships** to help students fulfill the dream of extending their education beyond high school. Through its **Emergency Support Fund**, the Foundation has provided students from families in need with meals and funding to help them take advanced placement exams as well as ACT test preparation classes. Finally, through a major fund-raising effort, the Foundation worked with the school to build a beautiful **Memorial Garden** at the West Campus as well as enhance a similar garden at the East Campus.

Mathematics teacher, Ben Bishop using the iPad purchased through a Foundation Grant to aid instruction in his "Flipped Classroom"

But, this is just a beginning. This year, the Foundation will be working with students, faculty, staff, and the school's administrators to generate ideas and spearhead a project that would have a significant impact on the school.

The following pages will provide additional information about the above programs and what the Foundation is doing to make a difference at Lake Park, so please read on.

New Foundation Board Members

The Foundation will welcome five new members to its Board beginning with the 2016-17 school year. Kara Roll, will be replacing retiring faculty Board member Lynne Benson and Lake Park alumni David Pileski and Alex Tumminaro will be replacing retiring Board members Tom Della Penna and Ann Stacy. Additionally, Niko Callas, Class of 2017, and Shyam Upadhyay, Class of 2018, will be joining the Foundation Board as student representatives.

FOUNDATION PROGRAMS

College Scholarships: **\$18,000**

This year the Foundation awarded 24 scholarships to help students pursuing their education after graduation from high school. Since 2010 the Foundation has awarded 126 scholarships totaling \$108,100. Individuals can donate directly to one of four Foundation scholarships, or they can create an annual scholarship in honor or memory of a loved one that the Foundation would publicize, administer, and work with the donor to determine selection criteria. The benefit of the Foundation's scholarship program may best be expressed by two recent scholarship recipients:

ABOUT OUR COLLEGE SCHOLARSHIPS

"The Foundation scholarship I received will help me be one step closer to pursuing my dream to attend Carthage College and successfully pursue a nursing career. Words cannot describe how much I appreciate this award."

"I am much honored to be a Foundation scholarship recipient. I will be attending COD in the fall with a goal to eventually earn a Bachelor's Degree in computer science at a university. I appreciate your confidence and willingness to help me achieve my goals."

Funds for Excellence Grants: **\$12,141**

The *Funds for Excellence* program continues to be an important means to help teachers obtain support, materials, and equipment for innovative ideas and instructional approaches that are beyond the means of the regular school district budget. This year the Foundation awarded teacher-developed grants to support a collaborative effort by teachers to build on the relationship between student fitness and learning, to aid student-teacher collaboration in research, to support the development of student leadership skills, and to support an innovative approach to teaching and learning in mathematics classrooms. Over the past six years, the Foundation has awarded over \$70,000 in grants to directly aid teachers and students.

Using Fitbit activity trackers, purchased through a Foundation grant, a cross-departmental team of teachers was able to improve the overall performance of students in their classes.

FUNDS FOR EXCELLENCE GRANTS INFORMATION

Emergency Need and Support Fund: \$4,090

The Emergency Need and Support Fund provides assistance for school-related expenses to Lake Park students in financial need. The Fund also provides free breakfast and lunch coupons for students whose families are facing financial challenges but do not qualify for the federal free/reduced lunch program.

By also assisting students in need with field trip, ACT prep class, and Advanced Placement exam costs, the Emergency Need and Support Fund exemplifies

the Foundation goal to make a difference for students and help them dream of doing things that would be financially difficult for them to achieve without support of the fund. As a testament to the fund's effectiveness, during 2015-16 there was almost a 95% increase from the previous school year in the number of students who benefitted from the fund's support.

Three recent thank you notes from students illustrate the impact of the program:

"I greatly appreciate the Foundation for providing me with the opportunity to take my AP exams. I benefited greatly from this opportunity and can't thank the Foundation enough. Their contribution has helped me save money by earning college credit as a high school student."

"Thanks to the Lake Park Educational Foundation I was given an incredible opportunity to succeed. The ACT prep class allowed me to

get training and preparation which I don't think I could have previously afforded. As a result, my ACT score improved by 4 points and I couldn't be happier with the results."

"Thank you for the opportunity to take the ACT prep class. Without this class I wouldn't have been able to achieve the score I was aiming for. This opportunity allowed me to aim for a score that would allow me to go to the college of my choice. Again, thank you for making this possible."

FOUNDATION EVENTS

Spirit of Excellence Program

Each year the Foundation recognizes students, faculty, and classified staff members for their excellence, leadership, and achievement in a Spirit of Excellence banquet program that also honors alumni who have gone on to achieve distinction in their careers. The senior students recognized at this annual program for demonstrating the **Characteristics of the Ideal Lake Park Graduate** were nominated for consideration by teachers, counselors, and parents. This year's three distinguished alums, Susan Blair, Copy Chief for TIME Magazine; Dean Gronemeier, musician, attorney, and university professor; and Tim Laurie,

doctor of internal medicine and gastroenterology, also spent the day with students reflecting on their high school years and sharing insights on what allowed them to achieve success in their lives. The Spirit of Excellence program continues to be a major community event showcasing the quality of the Lake Park educational experience both past and present.

Dr. Tim Laurie Meeting With Students

Golf Outing at Medinah

The Foundation held its annual golf outing on August 3, 2015, at the world-renowned Medinah Country Club, home of the 2012 Ryder Cup. Thirty-six golfers had an opportunity to challenge their skills on Medinah's renowned #2 course and then enjoyed a dinner overlooking the beauty of the course on a picture-perfect day.

Night of Fine Dining and Theatre

On December 11, 2015, the East Campus cafeteria was transformed into a magical place where parents and community members could sample from an elegant menu of winter tasting delights prepared by **Lake Park culinary students**. Prior to attending the drama production of "It's a Wonderful Life," evening guests had an opportunity to participate in a silent auction that raised more than \$6,400 to support various Foundation projects. Mark your calendars for this year's Night of Fine Dining and Theatre on December 9, 2016. As part of the dinner package, guests will receive reserved seating to the winter play, "A Charlie Brown Christmas."

Foundation Members and Volunteers Assist at the Northern Illinois Food Bank

In an effort to reach out to those in need and to provide community support, members of the Lake Park Educational Foundation and volunteers assisted at the Northern Illinois Food Bank. Through their efforts, they were able to pack 11,585 pounds of food which would provide 9,654 meals for needy northern Illinois families.

That's Caring and Amazon Smile Partnerships

The Foundation recently entered into a partnership with That's Caring that will enable it to earn 20% from each purchase from this company. That's Caring offers unique gifts, including baked goods, wine & cheese baskets, and confections that make wonderful gifts. As an added benefit, part of the proceeds from each sale helps feed local children through the Northern Illinois Food Bank Weekend Bag Program.

Visit the Foundation's That's Caring page, [here](#) and find the perfect gift!

The Foundation has also entered into a partnership with Amazon that will allow it to earn a percentage on all purchases made using Amazon Smile. To help the Foundation, start each online shopping trip at Amazon Smile and make the Lake Park Educational Foundation your preferred charity.

Meet The New Executive Director

On January 1, Rebecca Wyatt became the Foundation's new executive director. A Lake Park alum, Rebecca was previously the Volunteer Program Manager for the Naperville Area Humane Society, where she managed over 300 volunteers, designed policies for various programs, created monthly newsletters, organized outreach events, and coordinated training programs. She has served on various boards, including the District 13 Educational Foundation. The Foundation looks forward to Rebecca's leadership and organizational skills in helping the Foundation serve the needs of all those who call Lake Park home.

Jennifer Jungel Retires

Jennifer Jungel retired as executive director of the Lake Park Educational Foundation in December 2015. Under Jennifer's leadership, the Foundation was not only able to initiate the Night of Fine Dining and Theatre, Spirit of Excellence, and Emergency Need and Support programs, but also worked with the District to build a Memorial Garden at the West Campus. During Jennifer's eight years of service, the Foundation was able to successfully build on its scholarship and teacher grant programs while maintaining a financial base that will allow it to continue to serve Lake Park's students, teachers, and staff. Thank you, Jennifer, for your leadership and commitment to making a difference for Lake Park High School.
