

LEER – LATE ENTRY/EARLY RELEASE
APPLICATION FORM

LEER (Late Entry/Early Release) is a *privilege* offered to juniors and seniors who are in good standing. Students with 1st or 7th hour study hall are not automatically LEER candidates. Instead, students need to meet the following criteria from the last semester in order to qualify for an abbreviated schedule.

Criteria:

- 1. Grades of C or better in all classes**
- 2. Excellent record of behavior**
- 3. Regular attendance (93% attendance rate)**
- 4. Parental consent**

Viable candidates should complete the application form and turn it in to the main office. Students should remain in study hall until they have received a decision for LEER from the Assistant Principal for Instructional Services.

Keep in mind, LEER is granted on a semester-by-semester basis. Students need to re-apply for this privilege; approval for LEER during the first semester does not guarantee that LEER will be granted for the second semester.

_____ (Student Name) has my permission to take **Late Entry/Early Release** from school instead of a 1st or 7th hour study hall. I understand that my student needs to meet the criteria listed above in order to qualify for LEER. Additionally, I understand that school transportation is unavailable; parents/guardians are responsible for the transportation needs of their student. The privilege of LEER can be withdrawn if a student fails to maintain the criteria listed above.

Student Services will notify each student individually to obtain a replacement ID.
