Music- Vocal

EAST WOMEN'S CHOIR

Grade 9-10

semester or full year

Prerequisite: None

East Women's Choir is a choir for freshman and sophomore girls. This ensemble is open to all girls interested in learning to develop their confidence and skills in singing, musicianship, and performance. East Women's Choir performs an eclectic variety of music that is appropriate for the developing female voice. Members of this choir will be required to perform at all Lake Park High School choral concerts and dress rehearsals throughout the school year. East Women's Choir will regularly perform alone and with East Men's Choir to form a mixed gender vocal ensemble.

EAST MEN'S CHOIR

(Mixed)

Grades 9-10

semester or full year

Prerequisite: None

East Men's Choir Ensemble is a choir for freshman and sophomore boys. This ensemble is open to all boys interested in learning to develop their confidence and skills in singing, musicianship, and performance. East Men's Choir performs an eclectic variety of music that is appropriate for the developing male voice. Members of this choir will be required to perform at all Lake Park High School choral concerts and dress rehearsals throughout the school year. East Men's Choir will regularly perform alone and with the East Women's Choir to form a mixed gender vocal ensemble.

WEST WOMEN'S CHOIR

Grades 11-12

semester or full year

Prerequisite: Instructor approval

West Women's Choir is a choir for junior and senior female students at Lake Park High School. This ensemble is open to all girls interested in learning to develop their confidence and skills in vocal production, musicianship, and performance. West Women's Choir performs a variety of music from the Western canon, jazz, Anglo-American folk, popular and world repertoire. Members of this choir are required to perform at all Lake Park High School choral concerts and dress rehearsals throughout the school year. Although no formal audition is required for membership, the instructor will place students in West Women's Choir and West Mixed Choir based upon ability, growth, and balanced voicing.

WEST MIXED CHOIR

Grades 11-12

semester or full year

Prerequisite: Instructor approval

West Mixed Choir is a choir for junior and senior students at Lake Park High School. This ensemble is open to all female and male students interested in learning to develop their confidence and skills in vocal production, musicianship, and performance. West Mixed Choir performs a variety of music from the Western canon, jazz, Anglo-American folk, popular and world repertoire. Members of West Mixed Choir are required to perform at all Lake Park High School choral concerts and dress rehearsals throughout the school year. Although no formal audition is required for membership, the instructor will place students in West Mixed Choir and West Women's Choir based upon ability, growth, and balanced voicing.

JAZZ CHAMBER CHOIR

Grades 11-12

semester or full year

Prerequisite: Instructor approval and audition

(must be concurrently enrolled in West Women's Choir or West Mixed Choir)

Jazz Chamber Choir is a choral ensemble for junior and senior students at Lake Park High School. This ensemble is open to all students enrolled in West Women's Choir or West Mixed Choir and who are eager to develop advanced skills in vocal production, musicianship, and performance. Jazz Chamber Choir performs music from jazz and pop genres, and early music through modern styles. Members of Jazz Chamber Choir are required to participate at all Lake Park High School concerts, dress rehearsals, and community performances throughout the year. Formal auditions will take place in May of each academic year.

MUSIC THEORY

Grades 11-12

semester or full year

Prerequisite: A reading knowledge of music in at least one clef

Music Theory is designed to prepare the student for a college music course or is for the student interested in learning more about music theory. The course is designed to teach classroom theory. A survey of western music history and literature is an integral part of the course. Electronic music notation and sequencing will be incorporated into projects throughout the course. Students need to have a reading knowledge of music.
