

Dear Sophomore Student,

July 22, 2010

On behalf of the entire faculty and staff of Lake Park High School, we hope that you are having an enjoyable summer and we look forward to seeing you in August. The 2010-11 school year promises to be a challenging, rewarding, and exciting experience! Read on to learn about our **newly revised** orientation program.

The orientation program begins promptly at 1 PM on August 9 and 10. We suggest that you ride the bus to school to re-familiarize yourself with our transportation process. **Your class schedule and bus routes will be mailed to East Campus students during the first week of August.** If you receive a ride to school, then be sure to arrive no later than 12:45 PM. During the orientation, you will learn about our newly restructured school day and the additional academic support opportunities.

Additionally, students will receive their textbooks, ID picture, Lancer Log, PE uniform, lock, and other materials at orientation. **Your ID picture is also used as your yearbook picture, so please dress appropriately.** Be sure to bring your schedule to the orientation program as you will have a chance to visit your classrooms and locker during the orientation.

If you have not enrolled in school, then you will not receive your schedule in the mail. Therefore, it is very important that students are enrolled as soon as possible. That said, students may still participate in the program; however, they will not receive their materials. Contact the Student Services office (630) 295-5231 for bus route information for the orientation programs. **Read on to learn about the specific date that you should attend for orientation.**
