

Welcome to High School

Parent / Student Athletic & Activity Orientation Night
Wednesday, April 5, 2017 — East Campus
7:00 — 9:00 PM

Activities / Clubs

Meet the Coach / Sponsor

You and your student are invited to the annual “Parent / Student Athletic & Activity Night.” This event is scheduled for **Wednesday, April 5, 2017** from 7 to 9 PM at East Campus.

After a brief introduction in the gymnasium, students and parents will then attend “Meet the Coach/ Sponsor” breakout sessions throughout the building. Lake Park Boosters and sports and activities will display their offerings at the Activities Fair in the cafeteria. You and your student are welcome to attend the breakout sessions and to browse the booths at the fair.

Most, but not all, sports and activities will be represented. Both the Athletic Director and Activities Director will be on hand to answer any questions.

We feel that incoming students may be overwhelmed by the choices they try to make at the beginning of the school year. This program will give incoming freshmen and their parents an opportunity to learn about Lake Park’s athletics and activities programs. They will have their questions answered by coaches, sponsors and students currently in the programs. Students and parents will then have time to consider their choices prior to the beginning of the fall term.

Art Club	Gamers Club	Publications (Yearbook, Literary Magazine, Newspaper)
