January, 2018

Dear Parent/Guardian/Class 2022 Member:

Welcome to Lake Park High School!

This can be a very exciting, but sometimes confusing time for families. Therefore, the following information will hopefully aid in this exciting transition.

All incoming freshmen will automatically be enrolled in English, Math, Science, and Social Studies based on their PSAT 8/9 scores and their middle school teacher recommendations. All incoming freshmen are also required to take **P.E. and Health.** In addition to these requirements, all incoming freshmen will be able to select up to **two electives.**

To assist students and families in the selection of the elective credits, counselors will visit the middle schools the week of January 15th to discuss the course selection process and the transition to high school. Families and students will also be invited to attend our annual Incoming Family Night on Wednesday, January 17th at Lake Park East Campus. Final Course Selections will be due at your student's middle school on Thursday, January 25th along with their Registration Information found on the Registration Form.

We look forward to this great opportunity to meet with all of our students!

LPHS Graduation Requirements		4-year-College Recommendations	
Mathematics	3.0 credits	Mathematics	3.0 credits
		(4.0 strongly recommended)	
English	4.0 credits	English	4.0 credits
Science	3.0 credits	Science	3.0 credits
