Dear Class of 2021 Seniors and Parents:

Lake Park High School has selected *Root Studios* as its *Official Senior Portrait Photographer*. We are confident that you will be pleased with Root's professional service and fine quality.

Root Studios will be photographing seniors at Lake Park High School. In order to comply with state regulations, please observe the following changes:

- Please observe all social distancing guidelines while present in the school: please remain at least 6' apart from others; students are encouraged to wear masks at all times (except when being photographed!).
- In order to avoid over-crowding, Root Studios is not pre-designating appointments for seniors. Therefore, you must **schedule your own appointment online**. In order to accommodate all seniors, please make every effort to keep your appointment and please be on time.

You will be receiving location information and online scheduling instructions from Root Studios shortly. **Look for your session brochure in the mail.** We encourage you to schedule your appointment as soon as you receive your notification so you can select a date and time that works best for your schedule.
