Lasting Legacy at Lake Park High School

The Lake Park High School Memorial Garden was dedicated in May 2015 and honors the memory of deceased students, faculty, staff, and friends of Lake Park High School.

The Memorial Garden is located in front of the auditorium entrance at Lake Park's West Campus.

The focal point of the memorial is a large commemorative stone with an engraved bronze plaque. The memorial stone is surrounded by a tranquil, landscaped garden with a brick walkway which includes several benches.

The Memorial Garden provides students, families, and friends of Lake Park a peaceful setting in which to seek solace and remembrance. A loved one can be remembered with a commemorative brick, which may be requested at any time during the year. Each spring the newly inscribed bricks will be installed.

COMMEMORATIVE BRICKS

Two sizes of brick are available for purchase: 4" x 8" are \$100 and 8" x 8" are \$200. 4" x 8" bricks include up to 3 lines of inscription. 8" x 8" bricks include up to 5 lines of inscription.

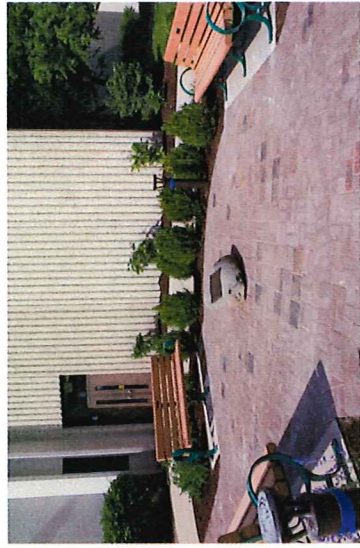

Bricks may contain the following inscriptions:

- "In Honor of" or "In Memory of"
- Legal name of an individual or portion of an individual's legal name
- Year(s) of attendance/service at Lake Park or dates of birth/death

No advertising or religious or political references are allowed.

Please note that Lake Park High School reserves the right to edit text in the event that the requested inscription does not conform to the above-listed guidelines. In that event, donors will be notified.

For more information, contact Jennifer Jungel, Lake Park Educational Foundation Executive Director, at jjungel@lphs.org or 630.295.5264.

The tranquil, landscaped garden features several benches, giving individuals and families a peaceful and relaxed setting in which to seek solace.

Flowering trees and a variety of evergreen and perennial plants, surrounded by solar lighting, invite visitors throughout the year.

The Memorial Garden provides an opportunity to remember and honor a loved one forever.
