

LAKE PARK

HIGH SCHOOL EDUCATIONAL FOUNDATION

ANNUAL REPORT 2016-2017

Another Successful Year!

2016-17 was another very productive year for the Lake Park High School Educational Foundation. Dedicated to the mission of supporting and enhancing the opportunities and educational experiences of students and staff members at Lake Park High School, the Foundation continued to provide programs and services for students and staff members as well as hosting a variety of fund-raising programs to help it achieve its mission.

Foundation Establishes Robotics Partnership

As part of its 2016-17 Dream Big – Making a Difference initiative, the Foundation entered into a partnership with the Robotics Club at Lake Park High School. The goal of this partnership is to provide the financial support to grow the robotics program and support classroom STEM (Science, Technology, Engineering, and Mathematics) concepts while fostering the lifelong skills of teamwork, leadership, communication, computer programming and more.

Robotics club students use their originally-designed robots to complete a complex task, such as throwing a foam marker over a wall.

Robotics club students competing at the regional tournament pitting their creation against other schools.

To compete in a VEX Robotics Competition, students use VEX robotics components to design and build their robots. The VEX competition, operated by the Robotics Education and Competition Foundation, has inspired students worldwide to pursue STEM-related education and career paths. Tournaments are held year-round at the regional, state, and national levels and culminate at the VEX Robotics World Championship each April. The VEX state-of-the-art robotics system takes the inspiration from these competitions to nurture STEM education and creativity in the classroom.

Lake Park has already seen the benefits of participation in this program. In its first year, the Lake Park Robotics Team took 2nd Place at the Nequa Valley Tournament and received the prestigious Judges Award at the Illinois State Tournament. Club membership has grown as has participation in Lake Park Technology and Engineering Classes.

The following pages provide additional information about what the Foundation is doing to make a difference at Lake Park, so please read on. >>

New Foundation Board Members

The Foundation will welcome two new members to its Board beginning with the 2017-18 school year. Todd Mickley will be replacing retiring faculty Board member Kara Roll as the Foundation's teacher representative and Christiana Gatbunton, Class of 2019, will be joining the Foundation Board as a student representative.

Your Donations Make a Difference

COLLEGE SCHOLARSHIPS:
\$21,250

This year the Foundation awarded 28 scholarships to help students pursuing their education after graduation from high school. Since 2010 the Foundation has awarded 154 scholarships totaling \$129,350. The number of scholarships offered this year was enhanced by a \$7,500 grant from the Gene Haas Foundation that enabled the Foundation to award four \$1,000 scholarships to graduating seniors pursuing training on computer numerical control (CNC) machines to close the skills gap in U.S. manufacturing jobs. Funds from this grant will be used to offer scholarships again in 2017-18 and a new Alumni Scholarship will also be offered to students next year. Individuals can support the Foundation's scholarship efforts by donating directly to one of five Foundation scholarships, or they can create an annual scholarship in honor or memory of a loved one. The Foundation will publicize, administer, and work with the donor to determine selection criteria. The benefit of the Foundation's scholarship program may best be expressed by three recent scholarship recipients:

"I am honored to be a recipient of a Foundation scholarship. Because of your support, I am the first in my family to attend college. While growing up in a less privileged family has presented certain financial challenges, it has also helped me realize the value of a college education. My educational pursuits would not have been possible without your generous support."

"I am honored to have received a Foundation scholarship. I hope to one day give back to Lake Park through service and generosity. Again, I greatly appreciate the opportunity to receive this scholarship."

"It is because of your scholarship that I am one step closer to fulfilling a dream. Your scholarship will relieve some of the financial pressure in going to college. I cannot wait to see where this journey will take me."

ABOUT OUR COLLEGE SCHOLARSHIPS

Funds for Excellence Grants

\$13,060

The *Funds for Excellence* program continues to be an important means to help teachers obtain support, materials, and equipment for innovative ideas and instructional approaches that are beyond the means of the regular school district budget. This year, the Foundation awarded teacher-developed grants to purchase 45 wrist-based heart-rate monitors for classroom use by physical education students, to purchase speakers and amplifiers for the jazz band, to purchase television monitors for use in advanced mathematics classrooms, and to support student attendance in a leadership skill-development program sponsored by Rotary International. Since 2011, the Foundation has awarded over \$80,500 in grants to directly aid teachers and students.

FUNDS FOR EXCELLENCE GRANTS INFORMATION

Emergency Need and Support Fund **\$6,001**

The Emergency Need and Support Fund provides assistance for school-related expenses to Lake Park students in financial need. The Fund also provides free breakfast and lunch coupons for students whose families are facing financial challenges but do not qualify for the federal free/reduced lunch program.

EMERGENCY NEED AND SUPPORT FUND

By also assisting students in need with field trip, SAT prep class, and Advanced Placement exam costs, the Emergency Need and Support Fund exemplifies the Foundation goals of making a difference for students and helping them dream of doing things that would be financially difficult for them to achieve without support of the fund.

Recent thank you notes from three students and a parent illustrate the impact of the program:

“I greatly appreciate the Foundation for providing me with the opportunity to take the SAT prep class. I learned all the important strategies and techniques and what to expect on the test. As a result, I felt more prepared to take the SAT...and my final score went up from the practice tests.”

“I want to thank the Lake Park Educational Foundation for providing AP test scholarships. By taking the AP tests I now have more opportunities for going forward with my college education. I was given an incredible opportunity to succeed.”

“Thank you so much for the opportunity to take the AP exams! I would not have been able to take them without your help. My scores on the AP exams will help me when I get to college because I will receive credit for some classes before I begin.”

“I want to thank the Foundation for helping my daughter take the SAT class. It was clearly obvious that it helped her. Her score was raised 160 points from when she took the practice SAT earlier in the year.”

SUPPORT THE SPIRIT OF EXCELLENCE

Spirit of Excellence Program

Each year the Foundation recognizes students and a faculty and classified staff member for their excellence, leadership, and achievement in a Spirit of Excellence banquet program that also honors alumni who have gone on to achieve distinction in their careers. The senior students recognized at this annual program for demonstrating the Characteristics of the Ideal Lake Park Graduate were nominated for consideration by teachers, counselors, and parents. This year's three distinguished alums, Sam Bettis, Director of Laboratory Operations at

Tempus, a medical technology company; Dr. Brian Kalish, Research and Clinical Fellow in neonatal-perinatal medicine at Harvard Medical School; and Dr. Joseph Sterbis, Program Director for the Urology Residency at Tripler Army Medical Center, spent the day with students reflecting on their high school years and sharing insights on what allowed them to achieve success in their lives. The Spirit of Excellence program continues to be a major community event showcasing the quality of the Lake Park educational experience both past and present.

2017 Distinguished Alums and their influential Lake Park teachers

Annual Golf Outing

GOLF CLASSIC INFORMATION

The Foundation held its annual golf outing on June 19 at picturesque Bloomingdale Golf Club. Thirty-six golfers participated in this year's outing and then enjoyed a dinner overlooking the beauty of the course on a picture-perfect day. Golf Outing sponsors whose generosity helped make the day a wonderful experience were Arcon & Associates, Inc., Art-Flo, BSN Sports, Comfort Services, Inc., Eder Casella & Co., Imagetec, The Larson Company, Performance Services, Inc., Ramcel Precision Stamping & Manufacturing, Relish Catering Kitchen, Robbins Schwartz, Sodexo, Tandus, Trophies by George, and Vanguard Energy Services.

Commencement Box Suites

COMMENCEMENT BOX SUITES

Each year the Lake Park High School Educational Foundation offers box suites to parents at graduation. This year, proceeds from the sale of box suites netted a profit of \$4,619. Families purchasing a box suite are given preferred parking and a place to take in the graduation ceremony in a reserved setting with family members while enjoying refreshments provided by the Foundation.

Night of Fine Dining and Theatre

On December 9, 2016, the East Campus cafeteria was transformed into a magical place where parents and community members could sample from an elegant menu of winter tasting delights prepared by Lake Park culinary arts students. Prior to attending the drama production of "A Charlie Brown Christmas," evening guests had an opportunity to participate in a silent auction that raised more than \$5,580 to support various Foundation projects. Mark your calendars for this year's Night of Fine Dining and Theatre on December 15, 2017. As part of the dinner package, guests will receive reserved seating to the winter play, "Miracle on 34th Street."

Foundation Members and Volunteers Assist at the Northern Illinois Food Bank

In an effort to reach out to those in need and to provide community support, members of the Lake Park Educational Foundation and volunteers assisted at the Northern Illinois Food Bank. Through their efforts, they were able to pack 805 backpacks and 3,500 pounds of food which would provide 10,967 meals for needy northern Illinois families.

Members of the Foundation also participated in Lake Park's Make A Difference Day by volunteering with Phil's Friends, an organization that provides support and hope to those affected by cancer.

That's Caring and Amazon Smile Partnerships

The Foundation recently entered into a partnership with That's Caring that will enable it to earn 20% from each purchase

from this company. That's Caring offers unique gifts, including baked goods, wine & cheese baskets, and confections that make wonderful gifts. As an added benefit, part of the proceeds from each sale helps feed local children through the Northern Illinois Food Bank Weekend Bag Program.

Visit the Foundation's That's Caring page, [here](#) and find the perfect gift!

The Foundation has partnered with Amazon that will allow it to earn a percentage

on all purchases made using Amazon Smile. To help the Foundation, start each online shopping trip at Amazon Smile and make the Lake Park Educational Foundation your preferred charity.

To learn more, click [here](#).

OTHER WAYS TO HELP THE FOUNDATION

The Lake Park High School Educational Foundation relies on donations to fund the programs described in this report, like the Emergency Need and Support Fund, Funds for Excellence Grants, or one of the Foundation's scholarships. Your generosity helps the Foundation support the quality of excellence at Lake Park that sets it apart from other schools and provides its students with a foundation for success in whatever endeavor they pursue. The Lake Park Educational Foundation is an independent 501(c)(3) non-profit organization. Donations are tax-deductible and will be acknowledged with a letter for tax purposes. If you have any questions or wish to discuss a contribution, sponsorship, or planned gift, please contact Executive Director Rebecca Wyatt at (630) 295-5264 or at rw Wyatt@lphs.org. Your gift of any amount helps the Foundation achieve its mission of making a difference for the students, faculty, and staff of Lake Park High School!

CLICK HERE TO MAKE A DONATION TO THE FOUNDATION

MAKE A CONTRIBUTION on our secure website at www.lphs.org/foundation or send a check to Lake Park Educational Foundation, Lake Park High School, 590 South Medinah Road, Roselle, Illinois 60172, ATTN: Rebecca Wyatt. You may specify the program to which you wish to donate. Also, please let us know if your company provides a matching gift for your donation (contact us for assistance if you're not sure).

CLICK HERE TO VIEW THE ANNUAL SPONSORSHIP PACKET

BECOME AN ANNUAL SPONSOR and enable your company to support our students' education while receiving significant recognition and visibility. Companies may donate at various sponsorship levels. Contact Rebecca Wyatt at rw Wyatt@lphs.org or at (630) 295-5264 for details.

CLICK HERE FOR EVENT INFORMATION

PARTICIPATE IN FOUNDATION EVENTS such as the Night of Fine Dining and Theatre, The Spirit of Excellence Awards Program, and the Annual Golf Outing.

PLANNED GIVING: Help ensure excellence at Lake Park High School for future students by naming the Lake Park High School Educational Foundation as a beneficiary in your will or estate plan. Your estate planning attorney will be able to assist your efforts in doing this. By notifying us of your desire to do this, we will be able to recognize you for your future gift and keep you informed about our activities.

VOLUNTEER INFORMATION

VOLUNTEERING: The Lake Park High School Educational Foundation welcomes volunteers to plan or assist with one or more of its various programs.

Volunteers are always welcome and it is a good way to determine if working with the Foundation is something you would like to do on a more regular basis.

FOUNDATION DONOR TESTIMONIALS

Following is a sample of reasons why donors support the Lake Park Educational Foundation.

"I have always supported the Foundation in its mission to help make Lake Park a better place. Two items that stand out in my mind are the Foundation's commitment to fund projects for teachers' curricular needs and providing lunches for students in need!"

- Catherine Patzner, Lake Park Teacher

"I have long been a supporter of the Foundation and what it does. It's a dynamic organization that provides quality programs and services for students and teachers."

- Larry Mings, Retired Lake Park Teacher

"I give to the Lake Park Educational Foundation because I know my donation directly impacts students at Lake Park. It is important to me to support an organization whose focus is helping, in various ways, the students I see every day in my classroom."

- Kristin Harrington, Lake Park Teacher

"I had the privilege of attending Lake Park from 1987-1991. Much of my professional success is due to the opportunities, mentoring, and fine academic instruction I received. I contribute to the Foundation because it is imperative that we support each other and ensure that our community's students can achieve their full potential and further enrich our community."

- Eric Madiar, Attorney
Lake Park Distinguished Alum

Foundation Partners

Through their generous support, the following partners have helped the Lake Park High School Educational Foundation achieve its goals by making a difference in the lives of students and staff members at Lake Park High School.
