

## Lake Park High School Educational Foundation

Today's public schools face growing challenges to provide a quality education in an increasingly complex environment. Lake Park High School offers a comprehensive array of courses for our students – from those struggling with mastering basic academic skills to those looking to be challenged by one of our many Advanced Placement courses. Yet, curricular offerings are only one part of the educational process. Unfortunately, regular school district budgets haven't grown to keep up with the growing needs of our school and students. That's where the Lake Park High School Educational Foundation helps.

The mission of the Foundation is "to provide resources for unique programs and activities to enhance student learning at Lake Park High School." The Foundation accomplishes this through the following programs:

- **College Scholarships** – Over \$20,000 available annually to Lake Park seniors
- **Funds For Excellence Grants** – Aids LP teachers' efforts to implement innovative ideas in their classes
- **Lancer Emergency Fund** – Provides financial support for LP students who could not otherwise take advantage of curricular opportunities being offered such as SAT Prep Class, AP exam fees, field trips, and meal vouchers.
- **LPEF & Robotics Partnership** – Growing of the robotics program at Lake Park

Would you like to share your talents and time with a group committed to helping Lake Park? We need all kinds of volunteers throughout the year to help fulfill the mission of the Foundation. Please fill out this form and return it to Becky Wyatt, Executive Director, Lake Park High School Educational Foundation, 590 S. Medinah Rd., Roselle, IL 60172 or email it to [rwyatt@lphs.org](mailto:rwyatt@lphs.org).
