How does the Program work?

Students who are accepted into the program and become employed earn an income while attending College of DuPage. Students receive benefits of full-time employment, begin on-the-job training, gain hands-on experience and build workplace skills. The employer pays for the cost of the student's tuition, lab fees and books.

Current program tracks:

- Electro-Mechanical/Mechatronics
- Facility Maintenance
- HVARC Service
- Industrial Maintenance
- Manufacturing CNC
- Manufacturing Machining
- Welding

For ADA accommodations, please call (630) 942-2141 or email access@cod.edu. Please request accommodations two weeks in advance.
