

LAKE PARK HIGH SCHOOL DISTRICT 108  
CALCULATOR RENTAL AGREEMENT

I \_\_\_\_\_ agree to enter into an agreement with Lake Park High School for the 20\_\_ - 20\_\_ school year with the purpose of renting a graphing calculator for my mathematics class.

**Terms and Conditions**

1. Student must show proof of current enrollment in a math class at Lake Park High School at the time of payment.
2. Rental cost is \$50.00, which includes a refundable \$25.00 deposit. Students will receive this deposit back once the calculator is returned in good working order.
3. Students may rent the calculators at any point in the school year. Regardless of when students rent the calculator, the rental price is \$50.00.
4. Students agree to a 6-week processing time for the return of their deposit once the calculator is returned in good working order.
5. The calculator must be returned no later than the last academic day of the school year.
6. Students who return damaged calculators or do not return calculators agree to forfeit their deposit.
7. Students on waived fees will receive the calculator for \$0.00. Waived fee students who return damaged calculators or do not return their calculator will receive a \$50.00 charge to their account.

By signing below, I acknowledge that I agree to the terms and conditions surrounding calculator rental at Lake Park High School. I further attest that I have reviewed these terms and conditions with my parents/guardians and their signature acknowledges their agreement to the above specified terms and conditions.
