GRADING SYSTEM

Required courses must be passed in order to earn credit. Failing grades for any course are recorded on the permanent record with no credit given for the course. Failing grades are calculated into a student's grade point average, unless the student earns a replacement grade. The lowest passing grade is a D. The majority of classes are non-weighted. Only "A's", "B's", and "C's" in Honors and Advanced Placement classes are weighted.

Weighted Grade Scale
